## NOTICE TO MEMBERS

Our local Lodge Bylaws must be updated every five years. They were last updated in January, 2011, so it is time to look at them again. A committee has been formed to make sure we follow the proper procedures for the Bylaws revision. Members are Chuck Hoornstra, PER, Bernie Reinfeldt, PER, Steve Gilfoy, and Dan Turk. I will assist the Committee, and ER Richard Olson will serve as an advisor.

I encourage members to review the Bylaws and make note of changes they think should be made. Some Bylaws are required by Grand Lodge, but others may be changed to reflect what is best for our Lodge. All members received a copy of the Bylaws when they were initiated. The last five years, the book has had a green cover.

If you would like another copy of the Bylaws, call the office to request it. If you have changes to propose, please put them in writing and send them to my attention at the Lodge by September 15. If you have any questions about the process, you may call me or one of the Committee members.

Sherie Sasso, Secretary

# EXALTED RULER'S MESSAGE

In rereading my last message, I realized I did not thank the volunteers who helped with our Father's Day cookout. The success of many of the Lodge's events depends on volunteers and I am pleased we had so many people step up to help. Thank you!

I also want to thank Chuck Hoornstra and Michael Liethen for all the work they did monitoring the Jack of Diamonds legislation in the Budget Bill, even though, unfortunately, the Governor vetoed the language.

I spent 4 days in early July at the Grand Lodge Convention in Indianapolis. I was impressed and slightly overwhelmed at the number of charitable organizations that the Elks contributes to on a national level. Our Lodge is a part of the Grand Lodge's charitable works. We can also be proud of our local actions which include the Drug Awareness and Education program, the support of Camp Wawbeek, our annual Dictionary Project and our working with Boy Scout Troop #410. I am grateful for Tom Colby who continues to organize the Veterans breakfast every year. All of these activities are successful because our members are volunteering to help.

Our new State President, Tony Voulgaris, is encouraging all Lodges to increase their charitable works. Some of the activities could include the Hoop Shoot and the Soccer Shoot. I am looking to our membership to continue to step up and take part in these opportunities to give back.

Thank you for your patience as our dining room is experiencing some changes. Please continue to make reservations, it really does help our staff.

In Elkdom,

*Richard*

One of our long-time members, Jim Holland, died in February. His family is sponsoring a charity Golf Outing in his memory, with proceeds going to the UW Car bone Cancer Center. God smiled on this Lodge of Elks on Wednesday, July 15, as 69 people headed out to Bridges Golf Course for our annual golf outing. After days of hot, humid, rainy weather, it was a great day for golf—sunny, low humidity, a little breeze—perfect!

Bridges did a great job of organizing everything. The new shotgun start seemed to work well — everyone started at the same time and finished about the same time.

It was a fun time back at the Lodge for cocktails, a delicious steak dinner, and PRIZES! (And a few tall tales about their golf game!)

A million **THANKS** to **Paula McIntosh, Mary Bach, and Jody Wall** for organizing the outing this year. They collected a lot of really great prizes, most of them donated to keep the expenses low. If you have any suggestions for next year, let one of them know!

## **THE WISCONSIN BENEVOLENT FUND**

As representatives of the Wisconsin Elks Association engage in conversation with members around the state, just how many of those members actually know or understand the purpose of this Fund? They may see it on their dues notice when the Lodge Secretary mails out their annual membership renewal notice in the spring of the year, but have no idea as to why funds are being requested or exactly how those funds are utilized.

This Fund is a Wisconsin Elks Association-designated fund established in 1996. Withdrawal rates are 5% of the account value at the end of the Elks fiscal year plus 50% of member contributions over the following 12 months, thus maintaining the integrity of the Fund plus adding incoming contributions to the Fund. As the Fund continues to grow, the interest generated from the Fund also increases to be utilized for our charitable work in Wisconsin. This Fund alone does not satisfy all our charitable works but does provide approximately 30 percent of our annual charitable budget.

Actual budget money generate from this Fund in the past few years is as follows: 2010-2011, \$95,000; 2011-12, \$95,000; 2012-13, \$100,000, 2013-14, \$105,000. These funds are utilized to support our Veterans programs, our various youth programs, our State Major Project (the Respite Center at Camp Wawbeek) and our scholarship programs.

To understand how your contributions generate funds, this past year for each dollar contributed, \$3.58 was returned to be utilized for our charitable programs as outlined in the Association's annual budget. Please be aware that your contributions to this Fund are tax deductible. All contributions to this Fund are accepted throughout the year either by personal check to the Wisconsin Benevolent Fund mailed to Keith Simmons, Secretary/Treasurer, P.O. Box 267, Delavan, WI 53115, or online at [wibenevolentfund.com](http://wibenevolentfund.com). Include your Lodge number for your Lodge to receive credit for your contribution.

*The Entertainment Committee is proud to introduce the first "Cocktails for a Cause" event at the Lodge!  
Each of these events will benefit a local charity while you have a great time!*

**To Our Elks Family:**

Where is the time going? When you read this article we are already four months into our Lodge year. Mary and I, along with Rob and Michelle, have been busy traveling our State promoting Membership, ENF, WBF, and our State Major Project. To the Lodges we have visited we THANK YOU for the great hospitality!! By reading your newsletters, our Lodges have been very visible in our communities by hosting youth banquets, Flag Day ceremonies, marching in Memorial and Fourth of July Parades and many more activities in our communities. We are very visible which is awesome. Mary and I along with our State and Lodge officers and members of our Association just returned from our National Convention in Indianapolis fully reenergized to promote Elkdom in our communities. I had the honor of carrying our State flag to the stage. I can't tell you what a great feeling it was which I will never forget. Thank you for the great honor.

I would like to recognize PSP Bob and Char Bohnsack and his committee for their countless hours of working our State Major Project booth. Their hard work paid off by being recognized (awarded) the 5-Star Certificate for one of the top exhibit booths at the convention. Also being recognized was PER Jerry Brien from Kaukauna #962 as the National "Rookie of the Year" chairman for the Drug Awareness Committee. As we all know, some things must come to an end. After 26 years, PSP Jim Meyer has decided to retire from the Grand Lodge Convention Committee. With that being said, we were treated again to a weeklong of plenty of food, drinks, and camaraderie. Thank you to you and your committee for your hard work and dedicated service!!

Now that we have returned from the National Convention reenergized, we need to stay focused on membership. As you know by now, my message during our visits is on membership. My goal is to be +1 for the year. Like my kids tell me "YOU CAN DO IT" so just ask!! As of July 1<sup>st</sup>, we were **number 1 in the country** for having the lowest delinquency percentage (11%). To our membership committees, please, continue reaching out to all of our delinquent members to pay their dues and bring back (reinstate) members who have left our order. Also, please don't wait to initiate new members. Bring them in a timely manner otherwise they might lose interest. (M&M= Membership Matters).

As you know by now, our Fall Conference has been moved to September 10<sup>th</sup> -13<sup>th</sup>. We hope to see you there and show off our Wisconsin Welcome (Hospitality) to our Grand Exalted Ruler Ron Hicks, our First Lady Nancy, and our State Sponsors PGER Lou and Beth Sulsberger. **SEE YOU SOON!!**
