ELKS CARE ELKS SHARE

We all cherish the happy days we spend at the Lodge and comradery with our fellow Elks. We also should take pride that we are part of a nonprofit organization that strives to make the lives of others better. One way you can assist our charitable efforts is to support the Elks National Foundation. It has upheld its commitment to helping Elks build stronger communities for more than 90 years. The Foundation helps students realize their dreams of attending college, provides youth with constructive activities, and helps the Elks fulfill their pledge to our nation's veterans.

The possibilities are endless with member support. Your help can ensure that we will forever build a better tomorrow. This is your opportunity to be a part of something amazing.

For example, the ENF's Community Investments Program invests directly in Lodge communities to have a lasting impact in the areas where Elks live and work. Lodges know and understand the needs of our communities best, that's why we decide how to use these grants. With last year's increased grant flexibility, more than 4,000 grant applications were approved (including ours) and Lodges were able to use or donate their grants to provide immediate COVID-19 relief. More than 52% of funds went toward alleviating hunger in Elks' communities.

We need your help! With your donation, you will join a group of donors whose contributions will make a difference today and in the future. You can help a child attend the college of their dreams. You can provide kids with a place to go after school. You can put a smile on the face of a lonely veteran. And you can help improve our community.

Remember, the Foundation depends on support from generous Elks like you to improve communities everywhere. Please consider donating to the ENF so we can make a difference in our community.

Many of us make our contribution by checking off the \$5 donation box on our annual dues statement (and we thank you for that!), but please consider a larger donation. Mail your check to the Secretary who will forward your gift to the Elks National Foundation, or go to the ENF website which offers several giving options:

<https://www.elks.org/enf/OnlineGiving.cfm>. Our Lodge's goal for 2021-2022 is that every member give \$7. The Elks National Foundation needs our support. Thank you for your consideration.

The 131st Annual Elks National Convention was held in Tampa, July 4 – 7, 2021. Over 6,500 attended. This national gathering of Elksdom began in 1890 when the first Grand Lodge Convention was held in Cleveland. The tradition has continued every year since except in 2020 when the Baltimore Convention was cancelled because of the pandemic. Pictured here are happy Elksters, photographed at the 1928 get-together in Miami. Next year's convention is set for July 3 – 6 in Atlanta.
