Exalted Ruler's Message

The summer is flying by! The road construction has had a significant effect on our bar and restaurant sales this summer. The City tells us the construction will wrap up by the end of August, and I sure hope they're right! I also appreciate every member who braved the construction and came in.

I have some big Thank Yous to make. The Ladies Auxiliary donated an additional \$100 for flowers for the lakefront and pots. Lou Ann Colby donated some additional flowers and Charles Duncan donated 1-1/2 yards of dirt. Thank you for helping to keep our grounds beautiful and save the Lodge some money!! Members Karen and Ed Bosold donated nine gallons of some very expensive paint for the pier. They also donated along with Gary and De Ann Anderson the labor to prep and paint the pier. They did a beautiful job and we greatly appreciate their help. We also appreciate the big part Dan Rustick and Tony D'Antoni played in rebuilding the pier. Everything that our members do saves the Lodge from hiring the work done. I attended the Grand Lodge Convention in St. Louis at the beginning of July. Hearing what Elks are doing all over the country made me proud to be an Elk! We are able to contribute to our community through donations from our members directly to our Lodge and to the Elks National Foundation (ENF). Every dollar that is donated to the ENF comes back to our local Lodge times four! Think about that – \$4.00 for every \$1.00 donated! The ENF has a new tool to make it easy and convenient for our members to donate to this remarkable Foundation. It's called the Fidelity Club and for as little as \$5 per month or \$15 per quarter, your donation can be made directly from your bank account or on a credit card. It takes as little as five minutes to sign up at enf.elks.org/recurring. PER Lynn Aspinwall is right now applying for grants from the ENF, which we will spend on more

community projects. Many of the grant applications require that our members be involved in the project. We will make you aware of opportunities to get involved and hope that you will! As always, if there is anything we can do to get you in the door more often, please let me know. You can call me at 608-444-1948 or email madisonelkser@gmail.com. Thank you!

From the Secretary's Office

August! Road construction all over the place.

On Williamson Street, we can see the median shaping up and **it is paved to John Nolen!** The Entertainment Committee needs to find a way to celebrate!

Remember, on busy nights, we have access to the Red Caboose parking lot across the street after 6.

Secretary office hours are flexible and may depend on demand. I'm going to try to be in the office Wednesday and Friday afternoons, if someone needs personal attention. (The fact that the dining room is open for Wednesday lunch and Friday Fish is just a coincidence.)

Other times as needed.

Contacting Us: **Tip:** To leave a phone message for the office, select line 3 and it will be checked, eventually, *when the Secretary is in the office.* See above. To leave a dinner reservation, option 1.

If you need to reach the Secretary, a good way is by email. I am close to my computer much more than my office phone. And, the message doesn't disappear after I listen to it.

We have a new staff member in the office. Cheryl Thornberry is our new office manager in training, handling all things financial.

We are making improvements for our members. There are opportunities for involvement.

Like us on Facebook to keep up with events.
